EYFS Curriculum Letter

Pentecost Term 2024

Dear Parents / Guardians,

We hope you had a wonderful Easter, and thank you for your support this term so far. It has been wonderful to get to know your lovely children so far and I am looking forward to the exciting term ahead! This will be a rewardable and enjoyable term for your children, we have some lovely things planned so far such as having 'Living Eggs' on our classroom to experience hatching chicks, butterflies, music sessions with Lincolnshire Music Services, balance bike sessions with a coach from Premier Education, sports day and much more!

Please remember that all children need their book bags with them in school each day. We will be reading with your children three times a week and will need their reading books and record with them at school. As well as this, we kindly ask that you also continue to support your children by reading their reading books with them and signing their reading diary.

This term we will be encouraging your children to have responsibility for their own belongings, especially as the weather gets warmer and jumpers and cardigans are taken off. Please make sure these are labelled clearly to avoid them getting lost.

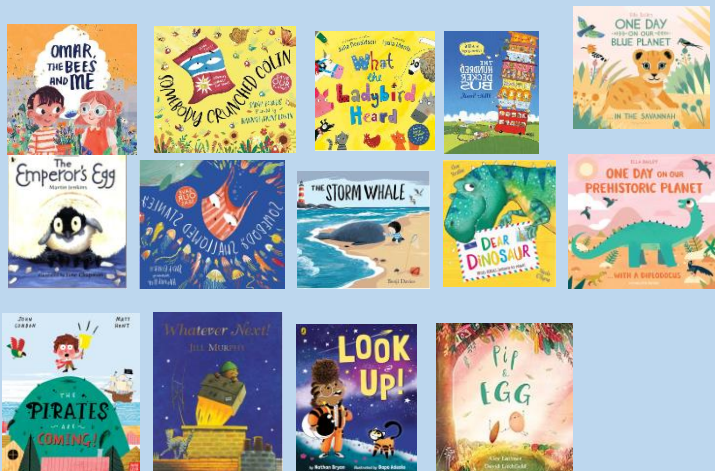

We have recently set up an X (twitter) account for Reception class, please follow Year Reception @YROLOL for regular updates. As well as this, please check your child's tapestry account to see what they have been getting up to in school! 😊

Below is an outline of what your children will be learning during this term, which you may find useful.

I am really looking forward to getting to know you all this term,

Mrs L Tonks & the EYFS Team
